

## Yayasan Bumi Kita (Our Earth Foundation)

Thank you, Dr. Mildred Hasenfeffer,  
for your generous donation of \$1,800  
to help us rebuild our communities after the  
terrible devastation of the tsunami. Your  
generosity will be in the hearts of the people  
of Aceh forever. We hope to welcome  
you in our new homes, schools,  
and villages soon.
